SPORTS MEMORABILIA AUCTION #2

Monday 29th April 2024

John Mowbray, our Founder Director, has had a long involvement in Rugby as a player and Rugby Union provincial Chairman and started our Sports auctions in 2022. Mowbray Collectables now welcome you to our second Sporting Memorabilia Auction.

After our inaugural Sports Memorabilia auction in 2022, we are excited to share our latest offering of 201 lots. We have created a diverse catalogue that will appeal to collectors around the world featuring many household names.

Some highlights of the auction are:

- Lot 1 – A World War II group of six war medals awarded to Adriaan Van Heerdeem. He was the first Springbok to score a try against the All Blacks, and the only Springbok to compete in an Olympic games.
- Lot 20 – A rare Wellington Rugby Football Union jersey & Cap from 1892-96 which belonged to Joseph Pudney who played for the Poneke club.
- Lot 26 – A Jonah Lomu signed 50th test commemorative jersey. Beautifully framed with images of Lomu over his career.
- Lot 102 – Shoes that legendary athlete John Walker wore when he broke the indoor 1500m World Record in 1979, an exceedingly rare piece of New Zealand sporting history.
- Lot 107 – A Baseball Bat signed by Aaron Judge. A beautiful matt-black bat with gold inlay and signed in gold ink.
- Lot 162 – A medal awarded to a donor for the 1908 London Olympics. Beautifully designed and long appreciated by its owners – still in its original presentation case.
- Lot 175 – A singlet and cap – both part of Sarah Ulmer’s 2004 Olympic Uniform. Worn in Athens during her time there. Both signed by Ulmer, with a signed thank you note from the original sale.

The items are seldom seen and would enhance any collection.

As we saw in 2022, there is an eager market in New Zealand and overseas for rare Sports items. Thank you so much to all our vendors and buyers for your support and enthusiasm. Thank you also to our staff who contributed to this catalogue, including particularly, Bronwyn Mill, Liam Jennings, Maree Malin, & Michail Andreef.

Good luck & happy bidding!

Mowbray Collectables is honoured to present for auction the shoes that New Zealand middle distance runner **John Walker** wore when he broke the World Record for the Indoor 1500m at the 1979 Muhammad Ali Meet in California - setting a new time of 3.37.4. A unique and important piece of New Zealand Sporting History. Acquired by the vendor at auction in 1990 - Walker himself donated the shoes as it supported the Commonwealth Games being held that year in Auckland. During his long and successful career as a middle - distance runner, Walker became the first man to run a mile in under 3 minutes & 50 seconds - a feat which Peter Snell argued was a greater achievement than Roger Bannister's first sub-four-minute mile, & then won Gold at the 1976 Montreal Olympics. The shoes themselves are Nike with the iconic blue tick stretching towards the heel of the shoe. Light foxing can be seen on their soles with a few spikes missing from underneath. Both shoes have been signed by Walker on the toe & on the heel with "1500m Indoors World Record". They are accompanied by a notarised letter, signed by Walker, confirming that the shoes are his and that they were worn when he made his record-breaking run. A truly special item that reflects the potential of New Zealand Athletes and their ability to compete at the highest global level.

A unique & important piece of New Zealand Sporting History. Acquired by the vendor at auction in 1990 - Walker himself donated the shoes as it supported the Commonwealth Games being held that year in Auckland. During his long & successful career as a middle distance runner, Walker became the first man to run a mile in under 3 minutes & 50 seconds - a feat which Peter Snell argued was a greater achievement than Roger Bannister's first sub-four-minute mile, & then won Gold at the 1976 Montreal Olympics. The shoes themselves are Nike with the iconic blue tick stretching towards the heel of the shoe. Light foxing can be seen on their soles with a few spikes missing from underneath. Both shoes have been signed by Walker on the toe & on the heel with "1500m Indoors World Record". They are accompanied by a notarised letter, signed by Walker, confirming that the shoes are his & that they were worn when he made his record breaking run. TIMED AUCTION BIDDING

No bidding in person is possible for this auction as a timed online only auction. Online bids can be placed via our bidding platform auctions.mowbraycollectables.com or Apps until the auction closes, or alternatively if needed through us by mail, phone, fax, or email and we will place them through Auction Mobility on your behalf. Such non-live online bids should be received in our office no later than 8am Monday 29th April (GMT + 12 hours) (at your risk if not received by the auctioneer in time). Telephone bidding is not available.

Bids are best placed directly online. If unclear about how to bid or facing slow internet connections and keen to win, please place your maximum bid before the auction closes.

Posting bids by mail is available but not recommended as postal systems are slow. Please allow at least one week in New Zealand and much longer from overseas, and advise the lot number, your maximum bid, email, phone number, and address details. Bids will be placed at one bidding increment above the reserve or next highest bidder up to your maximum bid.

For this auction, no surcharge applies for bidding through Auction Mobility.

How Timed Auction Bidding Works

1. Register to bid online at auctions.mowbraycollectables.com
2. Download the Mowbray Collectables app if needed for mobile phone bidding. Available for [Android](#) and [IOS](#)
3. Place your maximum bid online. Your bid will be placed at one increment above the next highest bid. (eg if you bid \$200 and someone else has bid \$100, your bid will be placed at \$110 and rise to your maximum bid only if other parties bid again.) You will be notified by email if you are not online and are outbid and but will get notice within your bidding App if you are online (We cannot provide that notification if you do not register directly to bid online and register your email address.)
4. Lots will close sequentially from 7pm New Zealand standard time (NZST GMT + 12) on 29th April 2024 at 45 Second intervals but lots will **auto extend by 2 minutes if bids are placed in the last 2 minutes of the lot closing**. Bidders cannot place bids in person at this auction but may contact us to place bids on their behalf if needed. All bids will be subject to a 20% buyer premium and if resident in New Zealand only, New Zealand GST of 15% on the buyer premium, but not on the hammer price of lots purchased. Please see the last two pages in this catalogue for Conditions of Sale and more information on how timed online auctions work.
5. The online bidding Apps on your phone or computer allow you to choose how lots are displayed – whether by price, time to close or in lot order or lots you have marked as watched lots. You can change that display order so that you can see which lots are closing first, given that some lots may auto-extend, so that you can better keep track of all lots you particularly want to buy. It pays to refresh the display on the App regularly so that you can keep track of bidding on all lots approaching their closing time.
6. You will be notified by email if successful and invoiced for your purchases, including freight amounts, unless you choose to pick up lots from our Otaki premises directly.
