# CONDITIONS OF SALE

1. INSPECTION: No lot is available for inspection by post.
2. EXTENSION: Extensions for expertising will be granted on application. Any purchase made with an extension is payable in full in compliance with Condition 7. Such monies will not be made available to the vendor until the purchaser has received the certificate. The onus shall be on the purchaser to obtain such certificate within a reasonable time, and bear all costs. If the item does not receive a clear certificate, the Auctioneer will refund any expertisation fee not exceeding \$70.
3. BIDDING:
  - 3.1 Bidding, either absentee or in the room, will bind the bidder to these conditions of sale. Subject to any reserve price, the highest bidder shall purchase the lot: any dispute arising as to who is the highest bidder shall be determined by the Auctioneer who may offer the lot again. The Auctioneer may group, split up, or withdraw lots, and transfer bids to identical lots at his discretion.
  - 3.2 The bidder shall be deemed to purchase as buyer unless prior to bidding he has given the Auctioneer a copy of a written authority to bid on behalf of another person.
  - 3.3 Where an agent purchases on behalf of an undisclosed client, such agent shall be personally liable for payment of the purchase money to the Auctioneer and for safe delivery of the lot to the said client.
  - 3.4 Vendor bids shall not be accepted.
4. BIDDING INCREMENTS: Absentee and online bids must comply with the following steps:

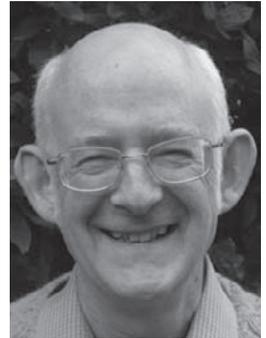

Under \$100 - \$5 increases	\$2,000-\$5,000 - \$100 increases
\$100-\$300 - \$10 increases	\$5,000-\$10,000 - \$200 increases
\$300-\$500 - \$20 increases	\$10,000-\$20,000 - \$500 increases
\$500-\$1,000 - \$25 increases	\$20,000 and above - \$1,000 increases
\$1,000-\$2,000 - \$50 increases	

Otherwise, the regulation of bidding is at the Auctioneer's discretion.
5. ABSENTEE BIDDERS: Bids will be accepted from persons unable to attend the auction, and their bids will be treated in utmost confidence and managed as though the bidder is in the room. The Auctioneer shall not be liable for errors or omissions in executing bids. **Live online bidding** is possible through Auction Mobility, through our website. An extra 3% charge applies to all successful Auction Mobility bids. Absentee bidders, who have not seen the lots they are buying, may reject any lot with the exception of bulk or mixed lots and collections, where the description is not in accordance with that given in the catalogue. However, any such lots are only returnable within forty-eight (48) hours of receipt, and in the condition received.
6. ESTIMATES: These are conservative. Bidding will commence at a bidding increment over the second highest postal/absentee bid received prior to commencement of the auction. Where one or no bids have been received, bidding will commence at 70% of the lot estimate, or at reserve if above 70%.
7. PAYMENT: Lots will be at the buyer's risk from the fall of the hammer, but title shall not pass until payment in full has been made of the purchase price (hammer price plus 17% buyer's premium (plus GST on buyers premium for NZ buyers) and, if applicable, interest). Payment and clearance of lots by room buyers may be carried out on the day of the sale. Payment by postal/absentee bidders must be made upon receipt of invoice. Payments not received within 30 days of auction date will be subject to 2% penalty interest.
8. No GST is charged on the hammer price, but purchasers outside of New Zealand undertake that neither they or an associated person will cause the goods to be re-imported into New Zealand in substantially the same condition in which they were exported.
9. FAILURE TO PAY: If the buyer breaches Condition 7, the Auctioneer, without prejudice to any other rights available to it, shall be entitled without notice to the buyer to exercise one or more of the following rights and remedies:
  - 9.1 to terminate the contract with the buyer and any monies which the buyer has paid to the Auctioneer on account of such purchase or purchases shall be forfeited;
  - 9.2 to terminate the contract, resell the lot at any time by public auction and the buyer shall pay to the Auctioneer any resulting deficiency in the purchase price (plus interest) and insurance. Any surplus shall be paid to the vendor;
  - 9.3 to apply any monies at any time due by the Auctioneer to the buyer in payment of the purchase price (plus interest). The Auctioneer shall have a lien over any property of the buyer in the possession of the Auctioneer, in order to secure any monies due to the Auctioneer; and
  - 9.4 to proceed against the buyer for damages for breach of contract.
10. The Auctioneer reserves the right to refuse admission to any person to either viewing or the sale room, and the Auctioneer may refuse any bid.
11. GOVERNING LAW: These conditions shall be governed by and constructed in accordance with the laws from time to time in force in New Zealand and the parties hereto irrevocably submit to the non-exclusive jurisdiction of the Courts of New Zealand.
12. The buyer warrants that they are permitted under national laws to import item(s) purchased into any other country that they request the item(s) be exported to and accepts full responsibility for complying with those laws.

# International Numismatic Auction #22

## Friday 15th March 2019

Mowbray Collectables Sale 22 on Friday 15 March 2019, with 604 lots, offers the most comprehensive collection of NZ gold coins (51) ever offered at auction. The 2017 \$150 5oz gold Taniwha coin, estimated at \$12,500 has the highest estimate. British gold includes the 1988 Britannia set of four from 10 to 100 Pounds estimated at \$3500 and the popular 1989 Gold Sovereign 4 coin proof set for the 500th anniversary of the sovereign (Est \$7000). World, British and Australian gold coin lots total 45, providing a good range as interest in gold coins refreshes internationally. Also estimated at \$7000 is a Tonga 1967 Coronation Palladium set with quarter, half and one hau, with the estimate reflecting the surge in the price of Palladium this year.

*David Galt*  
*Director*

New Zealand coins include a Waitangi Crown in AU, estimated at \$6500, the best offered by Mowbrays in recent years. Fully BU New Zealand predecimal silver is rare but the auction includes a 1945 florin estimated at \$300. Australia and New Zealand tokens include a St John's Wellington 1886 Communion token near UNC at \$2000 and a Wilson penny in aEF at \$1000. New Zealand coins include a good range of 66 decimal lots, including scarce recent sell-out commemoratives and 24 error coin lots.

British coins include 25 British hammered silver coins from 16 different monarchs, from Aethelred II (Long Cross penny 997-1003, VF, S1151) to Charles I (Penny 1639-40, F, S 2848). There are many USA coins with key dates including the 1885 Liberty Head nickel in gF estimated at \$1000 and a 1921 Liberty Standing Half Dollar in VF at \$500. More Islamic coins and many popular world bulk lots are included. The 22 ancient coin lots include Greek coins such as the Seleucid Alexander I Balas Tetradrachm, Tyre, 150 to 145 BC, Sear 8033, in EF (Est \$800) and the Mysia Kyzikos Tetradrachm, 390 – 330 BC, S3853 with Persephone and Lion's Head in VF (Est \$1200).

The New Zealand Medal pair to Colonel Charles Stapp tops the medals on offer with a \$NZ 5000 estimate. Stapp joined the 58th Foot in Ireland, then proceeded guarding convicts to Tasmania in time to be sent to New Zealand where he earned his first NZ medal in 1845, taking part in all major engagements and carrying a wounded man under heavy fire at Ohaeawai. Stapp went to Crimea then returned to Taranaki and fought again from 1860 to 1866, becoming Brevet Major. He retired from the militia as Colonel in 1891 with 33 years of service, earning the second medal for Long and Efficient Services. Stapp was gazetted as earning a second New Zealand Medal but renounced his claim upon learning the Colonial Government had adopted a policy of only awarding one.

Also from the New Zealand Wars period is a pair of New Zealand Agricultural Society

medals for Southdown ram hogs awarded to Every Maclean in 1866 at first show for 4 years, other shows having been cancelled due to the war, estimated at \$600. Apart from being a successful farmer and militia Captain, Maclean was briefly acting Superintendent of the Auckland province. There are 33 commemorative and other medal lots and 35 sports medal lots from around the globe, many with gold and silver content and back to the nineteenth century for important events.

New Zealand Trading Bank notes include a 1 April 1921 BNZ 5 Pounds in F, a date unlisted by Clifford (Est \$2500), and a National Bank 1928 One Pound in F (Est \$1000). The 84 Reserve Bank of New Zealand note lots include the Hanna £50, O/U 190637 in F at \$1800 and Fleming £50 R 199069 (UNC) at \$3000, a range of 1934 – 40 Lefeaux 10/- to £5 and decimal same number sets, including two rare Hardie Type II sets of \$1 to \$100, with an estimated 45 produced (Est \$800 each). Rare errors include an UNC sequence of 10 Knight \$2s, all with differing serials, by up to 7 digits difference, (Est \$4000), marking a really bad day at the printing press; a pair of Hardie Type II \$50 with exactly the same serials on both notes (gVF & EF, Est \$800); and a scarce Hardie \$10, last prefix 33E, note with the right serial completely missing in gEF (Est \$500).

Also with a New Zealand and Australian link are two Gruppignano Italian 1942 POW camp 10 and centesimi notes in F, estimated at \$200 each. Gruppignano held up to 4000 Australian and New Zealand POWs at peak in tough conditions. Scarcer notes amongst the 33 world banknote lots include Timor 1 pataca notes of 1910 (P1) and 1945 (P15) in F, each estimated at \$300.

Thanks to all who have contributed, our vendors and buyers, and hard-working staff, especially Nicola Bowden, Paul Stark, Keren Malin, Maree Malin, Jan MacDonald and John Mowbray, who have worked on this numismatic auction

- Stapp (1825 - 1900) joined the 58th Foot at age 17 in Ireland in 1842, accompanied convicts to Tasmania and moved with the regiment to Auckland in March 1845, taking part in all major engagements of the 1845 New Zealand Wars campaign, including at Oahaeawai where he was recognised for carrying a wounded man to safety under heavy fire. He volunteered to go to Crimea, serving as a Staff Officer and returned to New Zealand in 1857, becoming Adjutant to the permanent staff of the Taranaki militia in 1858. He took leadership roles in the Taranaki war and became Brevet-Major in 1865, and later Lieutenant Colonel, also going as second in command in 1865 to Opotiki as part of the expeditionary force to capture Hau Hau Maori. The award of a second New Zealand medal for the Taranaki War was gazetted in 1871, but correspondence indicates he probably did not receive an engraved medal because of policy against the award of two medals. He retired from the Militia in 1891, having been a highly respected commander of Taranaki Militia. \$5,000
