CONDITIONS OF SALE

1. INSPECTION: No lot is available for inspection by post.
2. EXTENSION: Extensions for expertising will be granted on application. Any purchase made with an extension is payable in full in compliance with Condition 7. Such monies will not be made available to the vendor until the purchaser has received the certificate. The onus shall be on the purchaser to obtain such certificate within a reasonable time, and bear all costs. If the item does not receive a clear certificate, the Auctioneer will refund any expertisation fee not exceeding \$70.
3. BIDDING:
 - 3.1 Bidding, either absentee or in the room, will bind the bidder to these conditions of sale.
Subject to any reserve price, the highest bidder shall purchase the lot: any dispute arising as to who is the highest bidder shall be determined by the Auctioneer who may offer the lot again.
The Auctioneer may group, split up, or withdraw lots, and transfer bids to identical lots at his discretion.
 - 3.2 The bidder shall be deemed to purchase as buyer unless prior to bidding he has given the Auctioneer a copy of a written authority to bid on behalf of another person.
 - 3.3 Where an agent purchases on behalf of an undisclosed client, such agent shall be personally liable for payment of the purchase money to the Auctioneer and for safe delivery of the lot to the said client.
 - 3.4 Vendor bids shall not be accepted.
4. BIDDING INCREMENTS: Absentee and online bids must comply with the following steps:

Under \$200 - \$10 increases	\$2,000-\$5,000 - \$100 increases
\$200-\$500 - \$20 increases	\$5,000-\$10,000 - \$200 increases
\$500-\$1,000 - \$25 increases	\$10,000-\$20,000 - \$500 increases
\$1,000-\$2,000 - \$50 increases	\$20,000 and above - \$1,000 increases

Otherwise, the regulation of bidding is at the Auctioneer's discretion.
5. ABSENTEE BIDDERS: Bids will be accepted from persons unable to attend the auction, and their bids will be treated in utmost confidence and managed as though the bidder is in the room. The Auctioneer shall not be liable for errors or omissions in executing bids. **Live online bidding** is possible through Auction Mobility, through our website. An extra 3% charge applies to all successful Auction Mobility bids.
Absentee bidders, who have not seen the lots they are buying, may reject any lot with the exception of bulk or mixed lots and collections, where the description is not in accordance with that given in the catalogue. However, any such lots are only returnable within forty-eight (48) hours of receipt, and in the condition received.
6. ESTIMATES: These are conservative. Bidding will commence at a bidding increment over the second highest postal/absentee bid received prior to commencement of the auction. Where one or no bids have been received, bidding will commence at 70% of the lot estimate, or at reserve if above 70%.
7. PAYMENT: Lots will be at the buyer's risk from the fall of the hammer, but title shall not pass until payment in full has been made of the purchase price (hammer price plus 17% buyer's premium (plus GST on buyers premium for NZ buyers) and, if applicable, interest). Payment and clearance of lots by room buyers may be carried out on the day of the sale. Payment by postal/absentee bidders must be made upon receipt of invoice. Payments not received within 30 days of auction date will be subject to 1.5% penalty interest per month from auction date.
8. No GST is charged on the hammer price, but purchasers outside of New Zealand undertake that neither they or an associated person will cause the goods to be re-imported into New Zealand in substantially the same condition in which they were exported.
9. FAILURE TO PAY: If the buyer breaches Condition 7, the Auctioneer, without prejudice to any other rights available to it, shall be entitled without notice to the buyer to exercise one or more of the following rights and remedies:-
 - 9.1 to terminate the contract with the buyer and any monies which the buyer has paid to the Auctioneer on account of such purchase or purchases shall be forfeited;
 - 9.2 to terminate the contract, resell the lot at any time by public auction and the buyer shall pay to the Auctioneer any resulting deficiency in the purchase price (plus interest) and insurance. Any surplus shall be paid to the vendor;
 - 9.3 to apply any monies at any time due by the Auctioneer to the buyer in payment of the purchase price (plus interest). The Auctioneer shall have a lien over any property of the buyer in the possession of the Auctioneer, in order to secure any monies due to the Auctioneer; and
 - 9.4 to proceed against the buyer for damages for breach of contract.
10. The Auctioneer reserves the right to refuse admission to any person to either viewing or the sale room, and the Auctioneer may refuse any bid.
11. GOVERNING LAW: These conditions shall be governed by and constructed in accordance with the laws from time to time in force in New Zealand and the parties hereto irrevocably submit to the non-exclusive jurisdiction of the Courts of New Zealand.
12. The buyer warrants that they are permitted under national laws to import item(s) purchased into any other country that they request the item(s) be exported to and accepts full responsibility for complying with those laws.

International Numismatic Auction #27

Friday 24th September 2021

Our 24 September Auction again offers something for everyone, from rarities to bulk lots. We are proud to offer a catalogue with record estimates of \$522,650 in 590 lots, available to bid on both in room and online. All lots are illustrated online at www.mowbraycollectables.com

The catalogue offers unique and rare New Zealand items. These include the very first note of NZ Reserve Bank Governor Sir Spencer Russell, the \$10 NJR 000001, Lot 558. Exceedingly rare pattern NZ decimal coins from the 1980s are offered by us for the first time, including the 1982 dollar with Fantail reverse Lot 383, the 1982 cent with James Berry Obverse, the 1983 dollar with the fern foliage missing from the 20-cent design and the 1986 dollar with the Black Robin design and new Maklouf Obverse. We offer one of three known rainbow reverse issued Colonial Bank of New Zealand Pounds, 1891, Lot 507, and a good range of New Zealand trading bank notes and higher-grade Reserve Bank notes, including 50 Pound notes. Notes also feature a good range of same number sets and error notes.

British coins offer another rarity – the 1863, Die 4 penny, Lot 208. The grade is G but the detail is far more than those in many UK auctions. The 1847 Proof Gothic Crown, Lot 206, is worth inspection as is the range of hammered British coins from the ninth century onwards, many earlier milled coins and British gold.

From the rest of the world coins include interesting 17th Century European silver, Australian decimal proofs and scarcer tokens and scarcer USA coins as well as larger lots.

The range of gold coins is extensive with Australia Half Sovereigns, Sovereigns, Proofs, and World gold. The New Zealand gold coin range is our most extensive yet.

High grade New Zealand coins feature strongly with two Waitangi Crowns in AU, 1935 Threepences up to gEF, a full set of lustrous pennies and halfpennies and other high grade predecimal coins. Error coins are included, with large numbers of dollars and two dollars available.

Ancient coins feature an attractive range of Roman denarii from Republican times onwards, Judaeian coins from New Testament times, a rare aureus of Titus, 76 AD and a solidus of Leo I, 457 – 468 AD.

*David Galt
Director*

*Liam Jennings
Numismatist*

Scarcer world banknotes include a Bank of Scotland 15 May 1901 issued Pound, P244 (Est \$900), very hard to find in catalogues, and scarce Fiji WWII emergency notes.

The 32 medal lots include a British War medal to Private E Sylvia killed in the NZ assault on Chunuk Bair, a New Zealand medal specimen, high awards from the Philatelic world to renowned Philatelist Dr K J McNaught, and other medals.

Once again thanks go to all the Mowbray team for their hard work in producing this catalogue, especially Numismatist Liam Jennings, John Mowbray, Maree Malin, Keren Malin, Margaret Galt, Jan McDonald and Kirsten Fulford.

Live Online Bidding!

Live online bidding during the auction is available through our facility set up with US based firm Auction Mobility.
