MAJOR INTERNATIONAL PUBLIC STAMP AUCTION

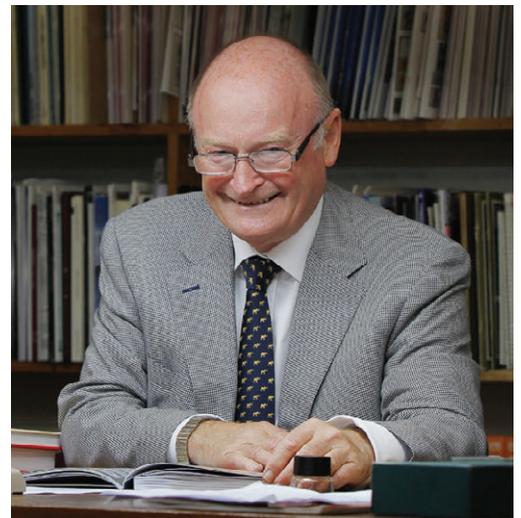

Saturday 13th March 2021

commencing 12.30pm

West Plaza Hotel, Wellington, New Zealand

Welcome to our 38th sale. This bi-annual auction comprises nearly NZ\$1.2 million of estimates. We are honoured to feature stamps from several major collections of outstanding quality, including the estates of Hilton Dickens and Jack Thornton, and NZ Postage Dues ex Jim Shaw, as well as significant consignments from private collectors.

- 250 collections, all world, including about 40 New Zealand & 30 Great Britain.
- A nice range of postal history and stationery.
- NZ SG 1 and approx 2,500 other FFQ's, including many blocks. One of the biggest offerings ever.
- The withdrawn NZ 1998 \$1 Performing Arts on FDC, never seen or offered on the market before now.
- Some good NZ decimal varieties.
- Excellent range of NZ postal fiscals.
- Over 90 lots of Postage Dues
- Strong Great Britain and British Commonwealth.
- Strong selection of China including collections and single sets. Includes the earliest known useage of Republic of China issued stamp.
- Overall the property of over 100 vendors.

We are certain that there is something for everyone in this sale, with conservative estimates to attract bidding.

To those clients looking to widen their collecting interests or start a new field, there is a wide range of collections which provide a wonderful opportunity to form the start of a significant collection.

The past few months have been challenging, but the market has rebounded strongly. Overseas bidders please note that the mails are still very slow and unreliable, so please send your bids by email, via the website, fax or phone through to us, if possible.

We urge collectors planning to attend this sale not to leave their viewing until the day of the sale as not too many people can view the same item simultaneously – so come on the Thursday or Friday – or arrange to view prior to Wednesday 10th March at our premises in Otaki! We are only 15 minutes from Paraparaumu Airport and ten minutes from Waikanae commuter railway station. We can pick you up from either! (By appointment only).

Like last year's sale we expect a huge interest with a large number of room bidders. My thanks go to Chris Burt, David Smitham, Alan Jackson, Ken Markham and Simon Smelt, who have produced another great catalogue for our 38th sale, ably assisted by our office staff of Maree Malin, Jan Macdonald, Kirsten Fulford, Keren Malin, Jane Smelt and Jackie Job. We look forward to your participation in this sale and wish you well with your bidding.

NEW ZEALAND - POSTAL HISTORY

253	C	1840 folded entire Port Nicholson (Wellington) to Giessen, Germany (via England). From Ernst Dieffenbach (1811-1855), naturalist & surgeon of the NZ Land Company, to his family. The letter (in Germany) is headed "February 26 1840 Port Nicholson New Zealand" & describes his passage to NZ on the "Tory" and his explorations in the hinterland (incl the first European ascent of Mount Egmont, with James Heberley). One of the very earliest known letters from Wellington. The main party of immigrants had landed on 22 Jan 1840 & a post office was opened on 8 Feb (without any postal h/s). Postal markings on this entire incl large manuscript "5" (5d paid to Sydney?), "5d Paid", "1/8" (1/8d paid, Sydney to London?) (these all in red), "8-" in black (8d to pay, to Germany?). Also London transit d/s "D / PAID / 27 AUG 27 / 1840" (red) & "Bond St. N.O" h/s (black), partially unclear European transit cds as b/s ("... 1094	U	China 1912 10c Express Mail 10c 1st issue (Chan E8), clear Shanghai cds 6 Nov 1912. Earliest known use of a Republic of China issued stamp excl Imperial Post ovpts. It's discussed in forthcoming article by H James Maxwell in China Clipper. The National Revolution & Founding of Republic commems are variously stated to have been issued on December 14, 15 or 24 1912. The Express Mail stamps are stated in SG, SCott, Chan & Ma to have been issued in 1913 or January 1913. However an example is known dated Dec 27 1912. This example therefore is much the earliest known usage of a Republic of China issued stamp. The stamp itself has light creasing.	\$2,500
