Welcome to our 12th auction!

We start with a good range of New Zealand coins, three Waitangi sets and two Crowns.

There are several very nice New Zealand and Australian collections.

The Great Britain coins cover the early hammered types through to modern proofs.

There is a good range of New Zealand banknotes with some scarce decimal replacement notes. Amongst the "same number" sets is an 0006 and an 0007 group.

Once again we offer many New Zealand and World Gold and Silver coins in sets and single coins.

This year, every lot is available to view on our website [www.mowbraycollectables.co.nz](http://www.mowbraycollectables.co.nz)

Congratulations to Malcolm Turner on producing such a wonderful sale.

Managing Director

# CONDITIONS OF SALE

1. INSPECTION : No lot is available for inspection by post.

Such monies will not be made available to the vendor until the purchaser has received the certificate. The onus shall be on the purchaser to obtain such certificate within a reasonable time, and bear all costs. If the coin does not receive a clear certificate, the Auctioneer will refund any expertisation fee not exceeding seventy dollars (\$70).
3. BIDDING
  - 3.1 Bidding either by post or in the room will bind the bidder to these conditions of sale.  
Subject to any reserve price, the highest bidder shall purchase the lot: any dispute arising as to who is the highest bidder shall be determined by the Auctioneer who may offer the lot again.  
The Auctioneer may group, split up or withdraw lots, and transfer bids to identical lots at his discretion.
  - 3.2 The bidder shall be deemed to purchase as buyer unless prior to bidding he has given the Auctioneer a copy of a written authority to bid on behalf of another person.
  - 3.3 Where an agent purchases on behalf of an undisclosed client, such agent shall be personally liable for payment of the purchase money to the Auctioneer and for safe delivery of the lot to the said client.
4. BIDDING INCREMENTS: Postal bids must comply with the following steps:

Under \$300 - \$10 increases	\$1,000-\$2,000 - \$50 increases
\$300-\$500 - \$20 increases	\$2,000-\$5,000 - \$100 increases
\$500-\$1,000 - \$25 increases	

Otherwise, the regulation of bidding is at the Auctioneer's discretion.
5. ABSENTEE BIDDERS: Bids will be accepted from persons unable to attend the auction, and their bids will be treated in utmost confidence and managed as though the bidder is in the room. The Auctioneer shall not be liable for errors or omissions in executing bids.  
Postal bidders, who have not seen the lots they are buying, may reject any lot with the exception of bulk or mixed lots and collections, where the description is not in accordance with that given in the catalogue. However, any such lots are only returnable within forty-eight (48) hours of receipt, and in the condition received.
6. ESTIMATES: These are conservative. Bidding will commence at a bidding increment over the second highest postal/absentee bid received prior to commencement of the auction. Where no bids have been received, bidding will commence at seventy percent (70%) of the lot estimate, or at reserve if above 70%.
7. PAYMENT: Lots will be at the buyer's risk from the fall of the hammer but title shall not pass until payment in full has been made of the purchase price (hammer price plus 15% buyer's premium (plus GST on buyers premium for NZ buyers) and, if applicable, interest). Payment and clearance of lots by room buyers may be carried out on the day of the sale. Payment by postal/absentee bidders must be made upon receipt of invoice. Payments not received within 30 days of auction date will be subject to 2% penalty interest.
8. No GST is charged on the hammer price, but purchasers outside of New Zealand undertake that neither they or an associated person will cause the goods to be re-imported into New Zealand in substantially the same condition in which they were exported.
8. FAILURE TO PAY: If the buyer breaches Condition 7, the Auctioneer, without prejudice to any other rights available to it, shall be entitled without notice to the buyer to exercise one or more of the following rights and remedies:-
  - 8.1 to terminate the contract with the buyer and any monies which the buyer has paid to the Auctioneer on account of such purchase or purchases shall be forfeited;

  - 8.4 to proceed against the buyer for damages for breach of contract.
9. The Auctioneer reserves the right to refuse admission to any person to either viewing or the sale room, and the Auctioneer may refuse any bid.
