MAJOR INTERNATIONAL PUBLIC STAMP AUCTION

Saturday 19th March 2022

commencing 11.30am

West Plaza Hotel, Wellington, New Zealand

Welcome to our 40th sale. This bi-annual auction comprises nearly NZ\$800,000 of estimates. We are honoured to feature stamps from several major collections of outstanding quality, including the collections of Tony Stern and the late Ray Staal as well as the wonderful collection of a private collector, and 90 other vendors.

- 140 collections.
- Extensive NZ postal history.
- Quality Full Face Queens including 3 x SG 1 used, and SG 2 mint.
- NZ modern errors.
- 1905 2d chestnut Life Insurance MUH, 4 x mint and 30 x used
- 1931 Arms including 35/-.
- Excellent range of flight covers.
- Strong Great Britain.

We are certain that there is something for everyone in this sale, with conservative estimates to attract bidding.

To those clients looking to widen their collecting interests or start a new field, there is a wide range of collections which provide a wonderful opportunity to form the start of a significant collection.

The market remains strong after a good recovery from the Covid lockdown. Overseas bidders please note that the mails are still very slow and unreliable, so please send your bids by email, via the website, fax or phone through to us, if possible.

This year we are introducing live online bidding through Auction Mobility (see page 3). We have used this system successfully with our coin auctions and are pleased to now offer this facility to our world wide clientele.

We urge collectors planning to attend this sale not to leave their viewing until the day of the sale as not too many people can view the same item simultaneously – so come on the Thursday or Friday – or arrange to view prior to Wednesday 16th March at our premises in Otaki. We are only 15 minutes from Paraparaumu Airport and ten minutes from Waikanae commuter railway station. We can pick you up from either (by appointment only).

Like last year's sale we expect a huge interest with a large number of room bidders. My thanks go to Chris Burt, David Smitham, Graham Burnett, Alan Jackson, Ken Markham and Simon Smelt, who have produced another great catalogue for our 40th sale, ably assisted by our office staff of Maree Malin, Jan Macdonald, Kirsten Fulford, Keren Malin, Jane Smelt and Jackie Job. We look forward to your participation in this sale and wish you well with your bidding.

Readdressed across London, irregular block of 5 GB 1d red, pl 78 added & canc "W3" obliterator. On back, large florid ink m/s "Hokianga Dec 4th 1867", light unframed "RUSSELL / NEW-ZEALAND" cds DE 6 1867, patchy Auckland framed cds DE 10? (peculiar date setup) & 2 diff London cds 2, 4 MR 68. This is the only Hokianga postal m/s marking recorded. This PO opened very early in 1840, with a "Crown in Oval" d/s, known used to 10 July 1865 & withdrawn by 1867. A new A-type cds is known from MR 12 70 (no pre-issue proof date is recorded), hence use of m/s in interim. Used blocks of 4 FFQs on cover are most unusual. The reason for the 5d redirection fee (over such a short distance) was necessary at this time, possibly was so high due to the weight of the item. A unique & unusual item. *See next page...*

		ADDITIONAL BIOGRAPHICAL DATA: John Chitty Clendon was the brother of James Reddy Clendon, the de facto 1st United States consul in NZ (from 1838) & an important figure in early NZ history. The brothers had been in partnership as ship owners in London. JR arrived in the Bay of Islands in 1830 & for several years ran a very successful business acting for visiting US ships. He developed close links with local Maori. But the 1840 Treaty of Waitangi dealt a severe blow to his US-linked business. He sold his land at Okiato to the new NZ Government and it became the town of Russell. For years he was involved in local politics. He became a police magistrate. In 1862 he moved to Hokianga (later renamed Rawene) as magistrate in the Native Circuit Court (from which he retired in 1867). This cover was very probably sent by him. FLIGHT COVERS

661	C	<p>Australia/NZ 1928 1st successful trans-Tasman crossing by "Southern Cross", Richmond aerodrome, Sydney to Wigram aerodrome Christchurch, NZ, 10-11 September 1928, crew Charles Kingsford Smith (pilot), Charles Ulm (co-pilot), Harry Litchfield (navigator), & Tom McWilliams (radio operator). Approx 15 covers are recorded (NZAMC No 31) but this is a new & quite unique discovery. AMSNZ expertised (2022).</p> <p>No official mail was carried on this pioneering flight but a very few covers were carried privately by the crew as souvenirs. According to both the Australian & New Zealand Air Mail Catalogues, these (mostly stampless) covers were, on arrival, taken to the Christchurch Chief Post Office by Ulm, who was sworn in as a New Zealand postal officer. NZ 1d stamps were then added to the covers & cancelled with a Christchurch postal datestamp.</p> <p>This cover is quite different. It was carried personally by Tom McWilliams for his friend, H P Stephenson (the addressee on the cover). McWilliams at the time worked at the NZ Government Radio School in Wellington (& was "borrowed" for the flight), while Stephenson was a printer (& fellow radio enthusiast) in the same city.</p> <p>Unlike all the other known covers, this one bears an Australian 1d stamp cancelled by a "SPECIAL/ SYDNEY" circular datestamp "11A. - 1 SE 28", plus a standard Australian "FORWARDED BY AIRMAIL" cachet (designed to enclose the datestamp impression). There is no NZ postal marking. The flight had originally been intended to depart on 2nd Sept but was postponed by 9 days due to unfavourable weather. The likely success of the flight was considered very marginal, even with favourable conditions. The only previous trans-Tasman attempts, by Moncrieff & Hood, in January 1928, had ended in disaster (the plane was lost without trace & has never been found).</p> <p>This cover was clearly taken to Sydney Chief Post Office on 1st September & cancelled there in anticipation of the intended flight the next day. It must then have been handed back to McWilliams to carry with him. It is the only cover recorded with both Australian postage stamp & postal cancellation prior to the flight's departure. On arrival in Christchurch, it was not taken by Ulm (together with the other souvenir covers) to the Chief Post Office to have a NZ stamp added and cancelled. Ulm may not even have been aware of the cover carried by McWilliams.</p> <p>This cover (with light vertical central fold) was discovered only recently and was previously unknown to the catalogue compilers. Offered with (a) accompanying contemporary envelope bearing explanatory text by H P Stephenson, and (b) copy of article by D Smitham."</p>	\$5,000
